RE: **2021 CANA ZONE 4 VIRTUAL COMPETITION**

The 2021 CANA ZONE 4 Swimming Competition will be held as a virtual competition in the Zone, on the 30 and 31 October 2021. The objective of the competition is to provide increased swimming competition and participation in Southern Africa for National Federations affiliated to CANA Zone IV and to establish a regional age group ranking system.

Swimming South Africa encourages all Affiliates to ensure that the districts in the SSA Affiliates host a competition, following the guidelines and program to give all swimmers the opportunity to enter as many events as possible. As indicated earlier, the results from the competitions will be utilised for a regional age group ranking database.

Find attached the relevant information and event files to set up the competition. Allowance has been made for this meet to be conducted in SC and LC format. Entries for athletes must be received and entered by the district and consolidated by the Affiliate.

At the conclusion of the competitions, the results and CANA Zone IV levy (R70 per participant), must be submitted to SSA and forwarded to bmorar@swimsa.co.za.

Yours sincerely
